Contains Confidential Business Information

Hi Andre,

Attached is a zip file containing River City Diesel, LLC's ("RCD") response to the United States Environmental Protection Agency's ("EPA") February 21, 2018 request to provide information pursuant to the Clean Air Act. The zip file contains two separate folders - the folder labeled "Contains CBI" includes the unredacted, confidential response and attachments 1 and 2, which each contain confidential business information. The folder labeled "Public" includes all response materials (including redacted, public versions of the response and attachments 1 and 2). We have also attached a table of contents for the exhibits and their corresponding request numbers.

Please let me know if you have any questions or encounter any issues accessing the attached information.

Sincerely,

Hannah
